Yellow Mary

Krokus

I've been in love for a long time
I see her in the park
Wanted to know where she's coming from
Dancing in the dark
I need to go to the place she lives
She is so damn nice
Hey morning flower wanna hold your hands
And look into your eyes
Yellow Mary- shining lights
Won't you come to me
Yellow Mary - feels alright
Girl you set me free
She took my hand into my broken heart
Fixed my shattered dreams
Gave me the wish to believe in love
As hard as it seemed
Sweet tastin'cherry in a smokey night
Love your golden smile
You take to that place i never was before
Make me feel so high
Yellow Mary - shining light
Wont' you come to me
Yellow Mary - feels alright
Girl you set me free
Yellow Mary - shining light
Wont' you come to me
Yellow Mary - feels alright
Ooooh yellow mary
