Throw sum don't change, yeah!
A nigga don't change, yeah!
See these niggas out here looking crazy man, talking that bullshit. Ain't never going with what ya saying nigga.
Ya just making shit up, yeah!
I can't never be a limb, I can't never be a scrub.
I was hanging with the thugs
I was never in the clubs
Most my niggas turned to plugs
If you want it then you got it nigga
Running running out the projects nigga
Hit the bank and make deposits nigga
Running running run it up
Hunnit 50's or a dub
Got a problem fuck us up
Sucka never one of us
Jump out the bat nigga
Feel like I'm that nigga
We lookin past niggas
Pull up and pass niggas

Rea... Real shit keep it real with you, keep it real with you, keep it real, anything that you need nigga, need the crack or come get sum pills, anything that you need nigga, got the weed nigga cone get the deal, juggin cooking had to bleed niggas, I could see rappers never trail. Walkin running running running like I stole something yea i did
