

Set

Chastain

Have a clear mind
Be pure in your heart
Be sure in your actions
One day all the world's musicians will meet
 Music has no frontiers
 One day the Americans
 Will find a new vision
 And the Russians too
 Will see life in a different way
For there are too many weapons
 And war is terrible
I have a vision of all Africa
 Being united one day
 Give me your hand
Give me one chance to know
 What do you think,
 For the future?
The young people are crying
Because the older ones are frightening them
 That's what makes me sad
 They are crying because
 They have no hope
