Don't Go

Wretch 32

(Josh Kurma)
Don't go,
-Tune plays-
I don't know where you come from,
But you're everywhere I go,
I don't know why you chose me,
But as long as you're here,
I don't need to know,
So don't go
(Wretch 32)
Yeah, when I got introduced to ya,
I knew I'd be true to ya,
Everyone wanted a piece,
You whispered to me that sweet cus its me you love,
And I feel it in my soul,
It's like your always with me on the road,
Phone in my hand while I listen to you moan,
And everybody in the car wants to try and get involved,
Yeah, then you make a silly tone,
Puppy love now, I'm like give a dog a bone,
Shut me up how I can breathe when I'm afloat,
Our love's concrete, we should leave it set in stone,
Yeah and whenever I'm in doubt,
Yeah, you forever calm me down,
Yeah, and sometimes I'm a dummy and I know I would of crashed if you never was around,
(Josh Kurma)
So don't go,
Don't leave,
Please stay,
With me,
You are the only thing I need,
To get by,
To get by,
(Wretch 32)
Yeah,
I spend a little change on you,
But you always give it back,
'Cos I know you aint here for the money,
You just wanna see me be the man,

So I earnt my respect like a true gentlemen,
All rumours were capital E relevant,
We should get three two emblems,
I give my life to you, that's a street settlement,
Yeah, I'm feeling ever so emotional,
'Cos I never had nothing when approaching you,
Sitting with a straight face on a poker man,

That's why a song like this has been over due,
Due over time,
And time over,
Love drunk you and I would die sober,
I'm in this for forever and a day,
That's why wherever I go they've got to put you on a plane,
(Josh Kurma)
So don't go,
Don't leave,
Please stay,
With me,
You are the only thing I need,
To get by,
To get by
(Wretch 32)
See I swear, I aint ever seen the sky so clear
Together we're gonna make history,
Why would you wanna be elsewhere?,
See I swear, I aint ever seen the sky so clear
Together we're gonna make history,
Why would you wanna be elsewhere?,
(Josh Kurma)
Don't go leave me now,
Don't go leave me,
(Wretch 32)
Stay right here 'til my dark days into light years imma shine
(Josh Kurma)
Don't go leave me now,
Don't go leave me,
(Wretch 32)
Losing you is one of my fears,
But I aint selfish, I'll share if I have to,
(Wretch 32 & Josh Kumra)
So don't go,
Don't leave,
Please stay,
With me,

You are the only thing I need,
To get by,
To get by.
So don't go, (don't go)
Don't leave, (I told her don't leave)
Please stay, (Please stay)
With me, (Stay with me)
You are the only thing I need, (Ah yeah)
To get by, (To get by)
To get by, (Oh to get by)
