

# Turn and Walk Away (2000 Remastered Version)

## The Babys

You still believe you love him, I still believe I'm right  
You're lost and I can't find you, you're somewhere in the night  
We've got nothing left to talk about, this time it's goodbye  
But you can't hurt me anymore, I've no more chance to cry  
Walk away, gonna build our plans to start again  
Walk away, we're gonna turn our backs on love and walk away  
Captivated by you, I'm reaching for your love  
Living in your shadow but that was not enough  
You don't seem to care about the reasons that I give  
We'll go fall in love again survivors always live  
Walk away, gonna build our plans to start again  
Walk away, we're gonna turn our backs on love and walk away  
I love you, I love you still  
I am broken by your words but I love you still  
Walk away, gonna build our plans to start again  
Walk away, we're gonna turn our backs on love again, walk away  
Turn around, turn and walk away  
We're gonna turn our backs on love, walk away  
Turn around, turn and walk away  
We're gonna turn our backs on love, walk away  
Turn around, turn and walk away  
We're gonna turn our backs on love
