

# Ghosts (Modwheelmood Remix)

[Ladytron](#)

In the first days of the spring time  
Made you a prince with a thousand enemies  
Made a trail of, of a thousand tears  
Made you prisoner inside your own frequency  
Theres a ghost in me  
Who wants to say I'm sorry  
Doesnt mean I'm sorry  
At the first hour of the springtime  
Made you a prince with a thousand enemies  
Now I see you from the corner  
Clock strikes and I know you will be drinking alone  
Theres a ghost in me  
Who wants to say I'm sorry  
Doesnt mean I'm sorry  
Theres a ghost in me  
Who wants to say I'm sorry  
Doesnt mean I'm sorry  
Theres a ghost in me  
Who wants to say I'm sorry  
Doesnt mean I'm sorry
