

# Pulse Of The Maggots

## Slipknot

This is the year where hope fails you  
The test subjects run the experiments  
And the bastards you know, is the hero you hate  
But cohesing is possible if we strive  
There's no reason, there's no lesson  
No time like the present, telling you right now  
What have you got to lose, what have you got to lose  
Except your soul? Just listen  
I fight for the unconventional  
My right, and it's unconditional  
I can only, be as real as I can  
Because advantages, I never knew the plan  
This isn't the way just to be a martyr  
I can't, walk alone any longer  
I fight, for the ones that can't fight  
And if I lose, at least I tried  
We, we are the new diabolic  
We, we are the bitter bucolic  
If I have to give my life you can have it  
We, we are the pulse of the maggots  
I won't, be the inconsequential  
I won't, be the wasted potential  
I can make it, as severe as I can  
Until' you realize, I'll never take a chance  
It isn't, just one side aversion  
We've dealt, with a meanies diversion  
And I won't, let the truth be perverted  
I won't let another victim deserted  
We, we are the new diabolic  
We, we are the bitter bucolic  
If I have to give my life you can have it  
We, we are the pulse of the maggots  
Do you understand?  
(Yes)  
Do you understand?  
(Yes)  
Do you understand?  
(Yes)  
Do you understand?

(Yes)

Say it again, say it again

(We won't die)

Say it again, say it again

(We won't die)

Say it again, say it again

(We won't die)

Say it again, say it again

(We won't die)

Say it again, say it again

(We won't die)

Say it again, say it again

(We won't die)

Say it again, say it again

(We won't die)

Say it again, say it again

(We won't die)

We fight, for the ones who can't fight us

We live, and no one can't stop us

We pulse, with a push too far

And the advantages are but a malice

We never, had to fight in the first place

We only, had to spit back at their face

We won't, walk alone any longer

What doesn't kill us, only makes us stronger

We, we are the new diabolic

We, we are the bitter bucolic

If I have to give my life you can have it

We, we are the pulse of the maggots

Do you understand?

(Yes)

Do you understand?

(Yes)

Do you understand?

(Yes)

Do you understand?

(Yes)

Say it again, say it again

(We won't die)

Say it again, say it again

(We won't die)

Say it again, say it again

(We won't die)

Say it again, say it again

(We won't die)
