

Give Me a Reason

Dave Hollister

 Hmm, Hmm
 Trying to get back
 To where I used to be, yeah
 Knowing who I am
 Makes it seem too far out of reach
 If I knew what I know now
 I'd probably would have left it all alone, oh yeah
 So now it seems to me, hmm
I can't find my way back home Nothing in the world
 Could ever give me a reason
 And nothing in this world
 Could ever tell me why
 I want to know the answers
 But they don't come easy, help me, tell me
Where is my heart? Hmm, what I want to know is
 Is somebody give me
 Give me a reason
 Oh I need to know
 Tell me why
 I gotta know
 I want to know the answer
 Ooh tell me why
 Why am I living trife?
 Why I live trife Thinking about the day
 I walked out it was a big mistake, hmm
 I never knew the price I'd have to pay, huh
Mama tried to tell me but shit got in the way Nothing in the world
 Could ever give me a reason
 And nothing in this world
 Could ever tell me why
 I want to know the answers
 But they don't come easy, help me yeah, tell me
 Where is my heart? What I want to know is, hey
 Give me a reason
 Somebody tell me why
 Tell me why
Oh I gotta know, I gotta know, I gotta know the answer
 Gotta know the answer
Can you tell me why? Why? Why am I living trife?

Why I'm living trife Somebody tell me, tell me the reason please
Give me the reason
Please, please somebody ought to know
They gotta know why
Tell me why
Hey, yeah
I want to know the answer
