Sacred

Elegy (South Africa)

I'm still awake for you
We won't make it together
We can't hide the truth
I'm giving up for you now
My final wish will guide you out
Before the ocean breaks apart
Underneath me, remember
To me you'll be forever sacred
I'm dying but I know our love will live
Your hand above like a dove, over me
Remember, to me you'll be forever sacred
You break the ice when you speak
With every breath you take you save me
I know that one day we'll meet again
Try to go on as long as you can
Even when the ocean breaks apart
Underneath you, remember
To me you'll be forever sacred
I'm dying but I know our love will live
Your hand above like a dove, over me
Remember, to me you'll be forever sacred
Forever you, forever sacred
Forever you, if you will be sacred
In your eyes I see the hope, I once knew
I'm sinking, I'm sinking away from you
Don't turn around, you'll see
You can make it, never forget
To me you'll be forever sacred
I'm dying but I know our love will live
Your hand above like a dove, over me
And one day the sea will guide you back to me, remember
To me you'll be forever sacred
To me you'll be forever sacred
