

Move It Up

Cappella & 49ers

Baby, I need you here with me
Because I've tried to make you understand
I want you, each move you make
I realize you are the right one for me Move it up, come baby, move it up
Come baby move it up
Come baby move this rhythm
Move it up, come baby, move it up
Come baby move it up
Come baby move this rhythm
Ha, Ha, Ha, Ha, gonna move it up, gonna move it up
Ha, Ha, Ha, Ha, gonna move it up, gonna move it up
Ha, Ha, Ha, Ha, gonna move it up, gonna move it up Ha, Ha, Ha, Ha... Take the chance, now step this way
Make the move, now seize the day
For what you had is what you miss
Hand in hand, you know you wish That's the way I feel
The way I'm gonna be
That's the way I feel
That's the way I feel
The way I'm gonna be
That's the way I feel
Move it on up, move it on up, move it up
Move it on up, move it on up, move it up
Move it to the rhythm - move it up
Move it to the rhythm
