## Weekend

Suddenly, you were gone  
From all the lives you left your mark upon I remember, how we talked  
And drank into the misty dawn  
I hear the voices, we ran by the water  
On the wet summer lawn I see the footprints, I remember  
I feel the way you would  
I feel the way you would  
I feel, I feel the way you would Tried to believe but you know it's no good  
This is something that just can't be understood I remember, the shouts of joy skiin'  
Fast through the woods  
I hear the echoes, I learned your love for life  
I feel the way that you would I feel your presence, I remember  
I feel the way you would  
I feel the way you would  
I feel, I feel the way you would  
This just can't be understood I tried to believe but you know it's no good  
This is something that just can't be understood I remember  
I feel the way you would  
I feel the way you would  
I feel, I feel the way you would  
This just can't be understood
