

Me & You

Brian Mcknight

In the garden spoke to His father for the last time
And Satan tried to trick Him said He didn't have to die
Jesus said "Father not my will but your will be done"
The Messiah Jehovah He knew He was the one
So it pleased them all to bruise Him
They beat Him in ways you never heard
And they kicked Him and they spit on Him
And He never said a mumblin' word
But Lord forgive them, Lord forgive them
For they know not what they do
And they nailed Him to the cross
And He died for me and you
To the disciples
He said "Whom say ye that I am"
Elijah the Prophet from on high
Or am I the son of man?
Surely thou art
The Christ the son of God who reigns supreme
He had to die that's why He came
He came to set men free
So it pleased them all to bruise Him
They beat Him in ways you never heard
And they kicked Him and they spit on Him
And He never said a mumblin' word
But Lord forgive them, Lord forgive them
For they know not what they do
And they nailed Him to the cross
And He died for me and you
My Jesus paid the ultimate sacrifice
It was the reason why He came
The Lord said that He had to die
But He would surely rise again
So it pleased them all to bruise Him
They beat Him in ways you never heard
And they kicked Him and they spit on Him
And He never said a mumblin' word
But Lord forgive them, Lord forgive them
For they know not what they do
And they nailed Him to the cross

And He died for me and you
Oh Lord it all, thank you Jesus
