Yours Is My Heart Alone

Frank Sinatra & Tommy Dorsey

Yours is my heart alone
And without you, life holds no charm.
Yours every thought I own,
Our love the theme of every dream.
All that makes life seem worthwhile
Dwells in your eyes and the spell of your smile.
There is no song half so sweet to me
As your voice whispering I love you dear.When far away or near you
In dreams I see and hear you
And yielding to your fascination
I kneel to you in adoration dear, you alone
My queen shall reign and my heart you enchain
All day I sigh for you and I dream on the night
I live or die for you my adored vision bright
All that makes life seem worthwhile
was in your eyes and the spell of your smile
There is no song half so sweet to me
as your voice whispering I love you dear
