No Turning Back

Joy Oladokun

I'm gonna love you
Till the end of time
With all my breath, my blood, my strength and my mind
If you don't love me
I swear that's fine
Cause I'm gonna love you

I'm gonna love you
When the moons a glow
And your head rests sweet on your pillow
Study the lights in your face like roads on a map
Leading me home
I'm gonna love you

Till the stars and their ghost fade to black
Until time rots our bones, wrinkles our heads
You will find me doing all I can
to love you

I'm gonna love you
Near or far
Gonna hold you like a treasure in my crackling heart
I don't wanna scare you
There's no need for a line
I just think you're something special and you made your mark

Till the stars and their ghost fade to black
Until time rots our bones, wrinkles our heads
You will find me doing all I can
to love you x2

Now that I love you
There's no turning back
