lost//found

EDEN

I think I lost myself out
Somewhere in between
Finding out who I am
Confusing that with what I dream
It feels like everyone's done waiting
So what am I supposed to doAnd I can feel these bridges breaking
And drifting further from you
From you
Ohh, let it go
But I found God
And he said, "Plans change a lot"
And, so if I can help my life
Then things won't go the way they're going
And I won't lose hope
And I won't lose courage
And I will fade to gold
Or worse, to shadow
'Cause if everyone is gone, I don't wanna be here
I don't wanna be left alone
