Swimming (Charles Webster Remix)

Tracey Thorn

When that summer sun comes down
When the season comes around
There will be no end in sight
We will be besieged by lightWhen we shake of winters chain
We will see the point again
Right now we are just keeping afloat
But soon we'll be swimming, swimming
Soon we'll be swimming, swimmingIt's all over so let's go on
There's nothing left so let's go on
We can't keep on, so let's keep on
There is no reason so let's make our own
Let's make our own, let's make our ownWhen the hurricane dies down
And everything lies on the ground
There will be no end in sight
We will be besieged by lightIt's all over, let's carry on
It's all over, let's carry on
Right now we are just keeping afloat
But soon we'll be swimming, swimming
Soon we'll be swimming, swimmingSwimming, swimming
Swimming, swimming
Swimming, swimming
Swimming, swimming
