Iâ€™ve Never Been So Lonely

Mark Ashley

IÂ´ve Never Been So Lonely

IÂ´ve tried to call you on the phone
Oh youÂ´re not there â€“ I feel alone
Babe donÂ´t close your heart
Why did you tear us apart
My heart is weak â€“ IÂ´m to proud to cry
My dream of love â€“ is too young to die
Why did you go away
It takes my breath away

IÂ´ve never been so lonely
Who will love you more than more
YouÂ´re the one IÂ´m living for
IÂ´ve never been so lonely
I wanna be right by your side
Oh baby please hold me tight
Whatever will come - whatever will be
I need your love - come back to me
Oh I have never been so lonely
CanÂ´t let you go â€“ youÂ´re breaking my heart

Oh baby you are the love of my own
Now itÂ´s all over â€“ IÂ´m feeling down
Babe donÂ´t close your heart
Why did you tear us apart
My heart is bleeding Â´cause you said goodbye
Why did you leave me - please tell me why
I miss you night and day
You take my breath away
