Never Say Goodbye

Temperance

(H. Der Hovagimian)
You lift up my heart, you let me be free
And through my heart I revealed the colour of love
And said through my eyes for you and I
Just know that I'll never, I'll never say goodbye
My-my-my-my-my-my...
My heart-heart-what I-heart-love
Heart-what I-heart
My heart-heart-what I-heart-love
Heart (I'll never say goodbye) what I-heart
That's-time-I-what I-heart-tee-what I-heart
Love-time-I-what I-heart-tee-what I-heart
That's-time-I-what I-heart-tee-what I-heart
Love-time-I-what I-heart-tee-what I
Love, your smooth as silk talk making me weak
Everytime I see your face
I know my love is what I yearn to be embraced
You take my breath away, I see your face
It was through your deeds that you would speak to me
Uncertain I would ask myself
Will you ever whisper in my ear
The words I never want to hear
You lift up my heart, you let me be free
And through my heart I revealed the colour of love
And said through my eyes for you and I
Just know that I'll never, I'll never say goodbye
Oh-oh-oh-oh, oh-oh-oh-oh
Oh, oh, oh, oh
I'll never say goodbye
Oh-oh-oh-oh, oh-oh-oh-oh
Oh, oh, oh, ohLove and emotion, a wonderful feel
Everytime I see your face
I know your love is what I needed, needed indeed
To build security in my soul
But yet I'm hurting won't you speak to me
Where do we stand oh I'm so confused
Don't you ever whisper in my ear
The words I'd hate to hear (hear)
You lift up my heart, you let me be free

And through my heart I revealed the colour of love
And said through my eyes for you and I
Just know that I'll never, I'll never say goodbye
Oh-oh-oh-oh, oh-oh-oh-oh
Oh, oh, oh, oh
I'll never say goodbye
Oh-oh-oh-oh, oh-oh-oh-oh
Oh, oh, oh, oh
I'll never say goodbye (bye, bye, bye)
That's-time-I-what I-heart-tee-what I-heart
Love-time-I-what I-heart-tee-what I-heart
..the words I never want to hear
You lift up my heart, you let me be free
And through my heart I revealed the colour of love
And said through my eyes for you and I
Just know that I'll never, I'll never say goodbye
Oh-oh-oh-oh, oh-oh-oh-oh
Oh, oh, oh, oh
I'll never say goodbye
Oh-oh-oh-oh, oh-oh-oh-oh
Oh, oh, oh, oh
I'll never say goodbye (bye, bye, bye)
I'll never say goodbye
I'll never say goodbye
