I Believe in Miracles

Pearl Jam

I used to be on an endless run
Believed in miracles 'cause I'm one
I've been blessed with the power to survive
After all these years I'm still aliveI'm out here kickin with the band
I am no longer a solitary man
Everyday my time runs out
Live like a fool, that's what I was aboutOh I belive in miracles
I believe in a better world for me and you
Oh Oh I believe in miracles
I believe in a better world for me and youTattooed your name on my arm
I always said my girl's a good luck charm
If she can find a reason to forgive
Then I can find a reason to liveI used to be on an endless run
Believed in miracles 'cause I'm one
I've been blessed with the power to survive
After all these years I'm still aliveOh I believe in miracles
I believe in a better world for me and you
Oh Oh I believe in miracles
I believe in a better world for me and youI close my eyes and think how it might be
The future's here today
It's not too late, it's not too late ohI believe in miracles
I believe in a better world for me and you
Oh I believe in miracles
I believe in a better world for me and you
