

Sound the Bugle

[Bryan Adams](#)

Sound the bugle now
Play it just for me
As the seasons change remember how I used to be
Now I can't go on I can't even start
I've got nothing left
just an empty heart I'm a soldier
Wounded so I must give up the fight
There's nothing more for me
Lead me away
Or leave me lying here Sound the bugle
Tell them I don't care
There's not a road I know that leads to anywhere
Without a light I feel that I will stumble in the dark
Lay right down
Decide not to go on Then from on high
Somewhere in the distance
There's a voice that calls remember who you are
If you lose yourself
Your courage soon will follow So be strong tonight
Remember who you are
Yeah you're a soldier now
Fighting in a battle
To be free once more
Yeah that's worth fighting for
