

7th Element (JPhelpz Remix)

Vitas

I've come to give this song

I've come to give this song

I've come to give this song

I've come to give this song Chandra Brambra Chandra Chandra Bendram...

Chandra Brambra Chandra Chandra Bendram...I've come to give this song

From the world of dreams

I've come to give this song

From crystal tears

I've come to give this song

For love

I've come to give this song Chandra Brambra Chandra Chandra Bendram...
