

Think (About It)

James Brown

Think about the sacrifices that I made for you

Think about the hard times that were meant for you

Think about the good things that I've done for you

Think about the bad things I tried not to doCome on, children, yeahHow much of all your happiness can I really
claim?

How many tears have you shed for which I was to blame?

Doll, I can't remember just what it brought

I tried so hard to please you , at least that's what I thoughtCome on, children, yeah
