Hole In the Head

Sugababes

Seven hours since you went away
Eleven coffees, Ricki Lake on play
But late at night when I'm feeling blue when someone asked of a pic of youSeven hours since you closed the door
Started a diet, got a manicure
Erased your number from my telephone
And if you call me I won't be at homeHe'll say, why'd you cry for the guy?
Say goodbye, run away
Why'd you cry for the guy?
Say goodbye, I said okay, 'causeOoh boy, do you miss me like a hole in the head?
Because I do boy, and it's cool boy
And ooh, bet you never thought I'd get out of bed
Because of you boy, such a fool boyEleven hours on a brand new day
I'm getting ready to go out and play
It's late at night, I'm caught in a groove
I'll kiss my ass before I'm feeling blueSeven hours, what are you calling for?
A bunch of flowers and I'll slam the door
You're in my face, sorry, what's your name?
Takes more than begging to replace my brain, 'causeOoh boy, do you miss me like a hole in the head?
Because I do boy, and it's cool boy
And ooh, bet you never thought I'd get out of bed
Because of you boy, such a fool boyI'm through with it, over it
Not having it, crazy shit
Not feeling this, can't deal, I quit
No more, no moreI'm through with it, not having it
This crazy shit, not feeling it
Can't deal with it, no more, I quit
No more, no moreBreaking off the bun
A brand new day has just begun
Just because you made me go, "Ooh"
Doesn't mean I'll put up with youDon't you dare come back
Can't you see I won't take that?
I ain't crying, not over you
Better fill your head up like I told youWhy'd you cry for the guy
Say goodbye, run away
Why'd you cry for the guy
Say goodbye, I said okay, 'causeOoh boy, do you miss me like a hole in the head?
Because I do boy, and it's cool boy
And ooh, bet you never thought I'd get out of bed

Because of you boy, such a fool boyOoh boy, do you miss me like a hole in the head?
Because I do boy, and it's cool boy
And ooh, bet you never thought I'd get out of bed
Because of you boy, such a fool boyRun away
I said okay, 'cause
Run away
