No Way

Uche Agu

NOW WAY

Now everybody wave your hands from left to right this way,
Come on

There's no way I can live without you
There's no way,
There's no way
There's no way I can make it without you There's no way,
Thereâ€™s no way

I may be counted as the greatest
Standing on the top of the world
But nothing can measure to your presence
I may be loved by the world
And have friends in many high places
But nothing can compare to your love
Simply stated, you are my life

There's no way I can live without you
There's no way,
There's no way
There's no way I can make it without you There's no way,
Thereâ€™s no way

When I was down in the pit
It was your hand that drew me close to you
My head's held high cause I look to you
My life is yours and I will follow you
You have my heart cause I belong to you
Lord you are my strength and my song
Simply stated, you are my life

There's no way I can live without you
There's no way,
There's no way
There's no way I can make it without you There's no way,
Thereâ€™s no way

Vamp 2:

Oh I can't live â€¦ I can't live without youâ€¦ x 2
Oh I can't breathe I can't breathe without you

Without you I won't survive
Without you I can't move on I need you, I need you

Repeat Vamp 2
