

Come Alive

Hugh Jackman, Keala Settle, Daniel Everidge, Zenda

You stumble through your days
Got your head hung low
Your skies are a shade of grey
Like a zombie in a maze
You're asleep inside
But you can shake awake 'Cause you're just a dead man walking
Think of that your only option
But you can flip the switch and brighten up your darkest day
Sun is up and the color's blinding
Take the world and redefine it
Leave behind a Hero Man
You'll never be the same
Come alive, come alive
Go and ride your light
Let it burn so bright
Reach it up
To the sky
And it's open wide
You're electrified And the world becomes a fantasy
And you're more than you could ever be
'Cause you're dreaming with your eyes wide open
And you know, you can't go back again
To the world that you were living in
'Cause you're dreaming with your eyes wide open
So, come alive!
I see it in your eyes
You believe that lie
That you need to hide your face
Afraid to step outside
So you lock the door
But don't you stay that way! No more living in those shadows
You and me, we know how that goes 'Cause once you see it, oh you'll never, never be the same
Little bit of life it's taken
Bottle up, but keep on shining You can prove there's more to you You cannot be afraid Come alive, come alive
Go and ride your light
Let it burn so bright
Reach it up
To the sky
And it's open wide

You're electrified And the world becomes a fantasy
And you're more than you could ever be
'Cause you're dreaming with your eyes wide open
And we know, we can't be go back again
To the world that we were living in
'Cause we're dreaming with our eyes wide open
So, come alive! Come one!

Come all!

Come in!

Come on! To anyone who's bursting with a dream

Come one!

Come all!

You hear!

The call! To anyone who's searching for a way, to break free And the world becomes a fantasy

And you're more than you could ever be

'Cause you're dreaming with your eyes wide open

And we know, we can't be go back again

To the world that we were living in

'Cause we're dreaming with our eyes wide open And the world becomes a fantasy

And you're more than you could ever be

'Cause you're dreaming with your eyes wide open

And we know, we can't be go back again

To the world that we were living in

'Cause we're dreaming with our eyes wide open 'Cause we're dreaming with our eyes wide open

So come alive
