

# Groovin' In the Midnight

## Maxi Priest

Oh oh ohI want do it with you  
I want do it with you  
I want do it with you ah yeah  
I want do it with you  
I want do it with youOoh ooh ooh  
Oh yeah yeah oh yeah yeah yeah  
Grooving all night[Chorus x2]  
Grooving in the midnight  
Sailing on a summer breeze  
Rocking with the passion  
Taking it to ecstasyIs it my imagination  
Or is this just a deal  
I'm already jumping to conclusions  
Ooh it feels so real  
You say, the bottom line's excitement  
Don't care how far we go  
The night is young and calls for fun  
But let's just take it slow[Chorus x2]Did I read you right  
Or do I take the cue  
I'll make the first move  
Then I'll leave it up to you  
We can't go wrongFeeling like we do  
Let desire lead the way  
And we'll just follow throughThe sky's the limit  
You say you're down with it  
Soon we'll see if you're just playing cute on me hey  
The sky's the limit  
You say you're down with it  
Soon we'll see if you're just playing cute on me hey[Chorus x2]Oh yeahI want to do it with you  
I want to do it with you yeah yeah yeah  
I want to do it with you  
I want to do it with you oh yeah  
I want to do it with you  
I want to do it with you Uu Uu Uu  
I want to do it with youOh  
The sky's the limit  
You say you're down with it  
Soon we'll see if you're just playing cute on me hey  
The sky's the limit

You say you're down with it  
Soon we'll see if you're just playing cute on me heyRepeat chorus 2xAll night all night rocking and grooving
