

# Fem In A Black Leather Jacket (live 1998)

## Pansy Division

I don't like macho, put it away  
Doesn't appeal to me, straight or gay  
But I know a boy who catches my eye  
He don't act tough, why should he try?  
He's a fem in a black leather jacket  
He's a gem in a black leather jacket  
He's a gem in a black leather jacket  
And I wanna take him home with me  
With his long long hair and pouty lips  
Cute little butt and sexy hips  
The way he moves has me inspired  
He's the boy that I require  
Chorus fem fem, fem fem femmy  
He looks as good in a skirt as he does in jeans  
He is a most notorious queen  
(with) his personality I'm not impressed  
But I can't wait to get him undressed  
Chorus and I'm gonna take him home with me!
