Haunted

Dusty Springfield

Ooh, hoo
I can't eat right
I can't sleep nights
Oh, honey look at what you've done to me
Life is nowhere
And it's no fair
'Cause you've got me by the memoryOh, now I feel you near me
And see your face
In my dreams
Every hour all night through
Oh, I'm haunted
Yes I'm haunted, haunted by youThere ain't no doubt
I can't get out
Of this trouble that you've got me in
If I hurt you
Didn't mean to
Oh, and I'm sorry
Ain't the word I've been
And if you don't come back to me pretty soon
I don't know what I'm gonna do'Cause I'm haunted
Yes I'm haunted, haunted by you, woah, ohOh, I just can't forget you
'Cause you haunt me everywhere I go
Oh I'm begging you
Don't say no
No, no, no, no, no, no, no, no, no, no, no, noAnd if you don't come back to me pretty soon
I don't know what I'm gonna do
'Cause I'm haunted
Said I'm haunted,ooh, haunted by you
Oh, haunted by you
Haunted by you
Haunted by you-hoo
Haunted by you
Oh, haunted by you
Baby, haunted by you
Ooh, by you
