

# Love Never Fails

[Jim Brickman](#)

Love, love is patient, love is kind  
Love, does not worry, does not boast  
It is not proud, it is not rude, it is not easily angered  
Love keeps no record of wrongs Love never fails, never fails  
I promise you, my love will never fail  
And I will give to you  
Faith, hope and love Love does not delight in evil  
Love will always protect  
Always trust and always hope and it will persevere  
Love rejoices in truth Love never fails, never fails  
I promise you, my love will never fail  
And I will give to you  
Faith, hope and love Love never fails, never fails  
I promise you, my love will never fail  
And I will give to you  
Faith, hope and love But the greatest of these is love  
I'll give you love
