

Me Plus One (James Iha Remix)

Annie

It's time to tell my story
of a girl I used to know
Always cried into her pillow
under pinups on the wall
She didn't make Italia Conte
didn't get that TV show
Then a nice man said he'd help her
with a new portfolio
Missus be
Missus E
Missus A-you-T
Missus I
Missus F-you-L
I'm gonna reach the top
I ain't ever gonna stop
and I'm sure gonna ring your bell
Missus D
Missus I
Missus F-F-I
Missus see
Missus you-L-T
If ever there's a girl
that could rock your world
Then that girl sure is me
(right!)(Chorus)
So the fun won't start til she's living it up
feeling good on top of the pops
Can you make it me plus one?
Dress falls down at the aftershow
She breaks down in the video
Think you'll find it's me plus one
Now this wannabe seniorita
met a group of likely girls
Traded posters and the voxpops
for jetting round the world
But it didn't make her happy
and now she flies alone
The wrong pictures in the paper
and no one back at home
