

Only Lonely

Divinyls

Well I feel alright when it comes daylight
But when it comes the night
I am only lonely, I am only lonely And if it doesn't feel right
When I hold you tight, oh baby it's alright
I am only lonely, I am only lonely Oh, baby wonder if we could get involved
Oh, baby wonder if we could get involved And if it doesn't feel right
When I hold you tight, oh baby it's alright
I am only lonely, I am only lonely Oh, baby wonder if we could get involved
Oh, baby wonder if we could get involved He said "Come on baby, not on the first date"
So I said "Okay baby, how long must I wait?" Well I feel alright when it comes daylight
But when it comes the night
I am only lonely, I am only lonely And if it doesn't feel right
When I hold you tight, oh baby it's alright
I am only lonely, I am only lonely Oh, baby wonder if we could get involved
Oh, baby wonder if we could get involved Oh, baby wonder if we could get involved
Wonder could we get involved Wonder could we get involved
Wonder could we get in
