Dark Chest Of Wonders

Nightwish

Once I had a dream
And this is it
Once there was a child's dream
One night the clock struck twelve
The window open wide
Once there was a child's heart
The age I learned to fly
And took a step outside
Once I knew all the tales
It's time to turn back time
Follow the pale moonlight
Once I wished for this night
Faith brought me here
It's time to cut the rope

And fly to a dream far across the sea
All the burdens gone open the chest once more
Dark chest of wonders seen through the eyes
Of the one with pure heart once so long ago
The one in the big blue is what
The world sole from me
This night will bring him back to me
Fly to a dream far across the sea
All the burdens gone open the chest once more
Dark chest of wonders seen through the eyes
Of the one with pure heart once so long ago
Fly to a dream far across the sea
All the burdens gone open the chest once more
Dark chest of wonders seen through the eyes
Of the one with pure heart once so long ago
