

# Fishin' In The Dark

## Emerson Drive

Lazy yellow moon comin' up tonight  
Shinin' through the trees  
Crickets are singin' and the lightning bugs are floatin' on the breeze  
Baby, get ready  
Across the field where the creek turns back  
By the ol' stump road  
I'm gonna take you to a special place that nobody knows  
Baby, get ready  
You and me going fishing in the dark  
Lying on our backs and counting the stars  
Where the cool grass grows  
Down by the river in the full moon light  
We'll be fallin' in love in the middle of the night  
Just movin' slow  
Stayin' the whole night through  
Feels so good to be with you  
Spring is almost over and the summer's comin'  
The days are gettin' long  
Waited all winter for the time to be right, just to take you along  
Baby, get ready  
And it don't matter if we sit forever  
And the fish don't bite  
Jump in the river and cool ourselves from the heat of the night  
Baby, get ready  
You and me going fishing in the dark  
Lying on our backs and counting the stars  
Where the cool grass grows  
Down by the river in the full moon light  
We'll be fallin' in love in the middle of the night  
Just movin' slow  
Stayin' the whole night through  
Feels so good to be with you  
You and me going fishing in the dark  
Lying on our backs and counting the stars  
Where the cool grass grows  
Down by the river in the full moon light  
We'll be fallin' in love in the middle of the night  
Just movin' slow  
Stayin' the whole night through

Feels so good to be with you  
You and me going fishing in the dark  
Lying on our backs and counting the stars  
Where the cool grass grows  
Down by the river in the full moon light  
We'll be fallin' in love in the middle of the night  
Just movin' slow  
Stayin' the whole night through  
Feels so good to be with you
