Kanske Ar Jag Kar I Dig

Jens Lekman

I saw on TV about this little kid
Who had a pig for a pet
His mom had once been attacked by a dog
So a pig was the closest thing he could getThis has of course nothing to do with anything
I just get so nervous when I'm talking to you
All I think about everyday is just kissing you
An old feeling that feels refreshingly newKanske r jag kr i digI offered you some chocolate
You declined so sweetly and commented on my jacket:
"Makes you look like a lumberjack
But are you man enough to wear it?"
I said: "It used to be my grand-grandfather's
What could I do but inherit it?"My words are just c-c-c-coming out all wrong
I sure could use a little help
I think I'm gonna drop my cool now
Best way to touch your heart is to make an ass of myselfKanske r jag k...
