

# Rising

Jesse Voorn

Behind these eyes..  
Beneath this crown of fire..  
Hides a mind..  
Etched in violence..  
Stained & Rotten..  
Breast fed from devils..  
And now..  
I eat my own kind....  
Tonight..  
The sermons I write..  
Will save my life..  
And yours...

Your defeat will come in a warm, thick scream..  
And I will show you the fate of the world in a fist full of blood...

Rising like a Hydra..  
Rising like a Hydra..  
Rising like a Hydra.. FROM THE ABYSS!!  
Rising like a Hydra.. FROM THE ABYSS!!  
Rising like a Hydra.. FROM THE ABYSS!!  
Rising like a Hydra.. FROM THE ABYSS!!  
Rising like a Hydra.. FROM THE ABYSS!!  
Rising like a Hydra.. FROM THE ABYSS!!  
Rising like a Hydra.. from the abyss...
