

Die Knowing

Comeback Kid

I was searching the streets where we lost our stride
Making our way through the earth
My heart was marching to a different beat
While my choices were making it harder to find
You took the straight and narrow
Prying eyes watching from overhead
I took the other
Down, but recovered
And I would do it all over and over again
Disappointment, dedication
Elevated catastrophe
Die knowing that you lived to find
Die knowing where your friendships lie
Die knowing you gave nothing less
Die knowing it was imminent
Die knowing what your failures find
Die knowing where your friendships lie
Die knowing you gave nothing less
Die knowing it was imminent.
