

# We Stand Alone

## Spill Sixteen

Stand before the gates and watch metropolis  
Empires come and go, we live forever  
And eternity is in your hidden eyes  
Take my broken wings, teach me to fly againI stand alone, we stand alone  
I stand alone, we stand aloneDown the empty streets, head for the seven hills  
Vestal virgins dance, we steal the fire  
Battered columns stand as silent monuments  
Deep inside their dreams I see your memoriesI stand alone, we stand alone  
I stand alone, we stand alone  
I stand alone, we stand aloneWe share the last champagne and watch necropolis  
Still and so let's leave her to her silent walks  
The sun of Rome is set and our day is gone  
A kiss, a taste of red from your open lipsI stand alone, we stand alone  
I stand alone, we stand alone  
I stand alone, we stand alone  
I stand alone, we stand aloneWe stand alone  
We stand alone  
We stand alone  
We stand alone  
Alone
