Sara Smile

After 7

Sara, Sara, SaraBaby hair with a woman's eyes
And I can feel you watchin' in the night
All alone in me
I'm waitin' for the sunlightMy baby, when I feel cold, you warm me
And when I feel that I can't go on
You come and hold me
And it's you and me forever, SaraSmile, why don't you smile
A while for me Sara?
Sara smile, why don't you smile
A while for me Sara, baby?If you feel like leavin', you know, you can go
But why don't you stay until tomorrow?
If you wanna be free, you know
All you got to do is say soWhen you feel cold I will warm you, baby
When you feel you can't go on
I'll hold you
It's you and me forever, SaraSmile, smile for me, baby
When you do everything's alright
Smile, Sara, baby
Smile a while, baby
Everything's alrightSara smile
Sara smile
Sara smile
