

# Aimless

## Slowtide

I don't know where I'm going to  
unless I take that step with you  
you remind me there's a reason to pull through

and no religion known to me  
could give me what you give to me  
you're the shelter from my fears to some degree

but if you'd lose your faith in me, I'd probably give in  
so please don't start a fight with me because I could never win

I don't know where this life will lead  
all I can do is to proceed  
and hope that you will always walk on the same street

and if I ever lose my mind  
I could be sure I won't walk blind  
you set up the trails and they're not hard to find
