Cryptic Tales

Seven days old in the ICU tonight
Little baby boy, they don't wanna have to say goodbye
Your mother's on the phone, your father's in the hall
Praying God save his life
He sees you, He's near you
He knows your face, He knows your pain
He sees you and He loves you
He knows your name, He knows your name
Four doors down there's a man who just won't wake up
He crashed so hard and the doctors wanna pull the plug
Your wife is by your side, saying not tonight
Praying God'll just show up
He sees you, He's near you

He knows your face, He knows your pain
He sees you and He loves you
He knows your name, He knows your name
Maybe you're alone in the corner of an empty house
Or maybe you're the one no one notices in the crowd
He sees you, He's near you
He knows your face, He knows your pain
He sees you and He loves you
He knows your name, He knows your name
He knows your name
He knows your name
