Moon Rocks

Michael Barber & Matty Moe

[Verse 1: Michael Barber]
The more I learn, the less I know
Life is a test, but the lesson is old
Study on up, you won't pass it though
I got friends down, where the tree roots grow
Everybody know, cause everybody go
Live now, die later
Living in the moment 'til the moment pass
Get moving, movement don't last

[Hook: Michael Barber]
Can't watch it, but time go lapsing
Me with the mic and the DJ scratching
Boom on the Moon Rocks
Moonwalk on moon rocks like Michael Jackson

[Verse 2: Matty Moe]
Spread my wings, fly away
No looking back on yesterday
Take off my shades, put them aside
Take a look in a real man's eyes
No fabrication what you see is what you get
2 strikes down, do you swing at the pitch
Play it safe, hit one for the fence?
Decisions all yours it is what it is
Give a fuck about the next man's judgement
He don't know a damn thing about me
Only two things that I care about respect and loyalty
Breath of fresh air in the game
Matter of time 'til they set me free
Ain't gotta change nothing for no one
I just continue doing me

[Hook]

[Bridge:Michael Barber]
Them wild nights, them wild nights
Them wild nights, we wiling out
Them wild nights, them wild nights
Them wild nights

Them wild nights, we wiling out

[Verse 3: Michael Barber]
Them wild nights, we wiling out
Hop into a hoopty we riding out
You rolling yet, you riding now
You holding yet, I'm golden kid
I'm on the cliff here go the ridge
I'm noticing all sorts of trips
I'm holding in as I hit
I'm peaking now, I'm peaking now
While the whole, whole town is sleeping now
I'm peaking now, I'm peaking now
While the whole, whole town is sleeping how?

[Hook]
