

Back In Your Head

[HeyHiHello!](#)

Build a wall of books
Between us in our bed
Repeat, repeat the words
That I know we both have said Relax into the need
We get so comfortable
Remember when I was
So strange and likable I just want back in your head
I just want back in your head
I'm not unfaithful but I'll stray When I get a little scared
When I get a little scared
When I get a little When I jerk away
From holding hands with you
I know these habits hurt
Important parts of you Remember when I was
Sweet and unexplainable
Nothing like this person
Unlovable I just want back in your head
I just want back in your head
I'm not unfaithful but I'll stray When I get a little scared
When I get a little scared
When I get a little scared
When I get a little Run, run, run, run
Run, run, run, run I just want back in your head
I just want back in your head
I'm not unfaithful but I'll stray I'm not unfaithful but I'll stray
I'm not unfaithful but I'll stray
I'm not unfaithful but I'll stray
