

Inalillahi

Hashim Sisters

Inna lillahi wa Inna ilayhe raje'oon

1.

bheegi bheegi aankhein hai aur chehra khoo'n aaluda hai
bhikri bhikri umeedein hai aur dil bhi toota toota hai
aisa lagta hai ek nanha laasha khoon mein dooba hai
darr pe khaime ke jaa jaa kar peeche aa aa jaate hai
aisa kya hai haa'nthon par x2 jo sarwar rote jaate hai
chand kadam aage jaate hai aur phir peeche aate hain

Inna lillahi wa Inna ilayhe raje'oon

2.

kya khoya hai sheh ka jo woh ghumsum ghumsum hain aaye,
Jaane kyun aaj aakhir itna Shahe deen hain ghabraaye
nanhe Asghar ka nanha sa kya woh laasha hain laaye
jaane kaise dilko apne shahe deen samjhaate hain
aisa kya hai haa'nthon par x2 jo sarwar rote jaate hai
chand kadam aage jaate hai aur phir peeche aate hain

Inna lillahi wa Inna ilayhe raje'oon

3.

Haantho pe kya shahedeen ke khoon mein dooba dilbar hai
aisa lagta hai haantho par zakhmi nanha asghar hai
aankhon pe khoo'n chehre pe khoo'n, kaisa khooni manzar hai
rukk rukkk ke badh jaate hain shah, badh badh ke ruk jaate hai
aisa kya hai haa'nthon par x2 jo sarwar rote jaate hai
chand kadam aage jaate hai aur phir peeche aate hain

Inna lillahi wa Inna ilayhe raje'oon

4.

Ek bete ki aas pe maa ki jo aankhein hai taabinda
asghar zinda hai toh samjho baano abtak hai zinda
aane wala baano se kyun aaj hai itna sharminda
aakhir khaime mein jaane se kyun maula ghabraate hai
aisa kya hai haa'nthon par x2 jo sarwar rote jaate hai
chand kadam aage jaate hai aur phir peeche aate hain

Inna lillahi wa Inna ilayhe raje'oon

5.

apne dil ka tukda lekar pahunchke sarwar khaime mein
khoon mein dooba dekha maa ne nanhaasghar khaime mein
aaya tha ek maa ka baccha aisa luttkar khaime mein
sarr ko jhukaaye sheh rote hai kuch bhinahi keh paate hai
aisa kya hai haa'nthon par x2 jo sarwar rote jaate hai

chand kadam aage jaate hai aur phir peeche aate hain
Inna lillahi wa Inna ilayhe raje'oon

6.

asgar ka jo laasha dekha baanone dil thaam liya
maa ka dil tha koi bataaye zapt se kaisa thaam diya
aashkon ki barsaat huiaur sirf ALi ka naam liya
shaah e deen dil thaam ke apna baano ko samjhaate hain
aisa kya hai haa'nthon par x2 jo sarwar rote jaate hai
chand kadam aage jaate hai aur phir peeche aate hain
Inna lillahi wa Inna ilayhe raje'oon

7.

Likha jo 'taukeer' ne nauha 'hashmi behne'padhti hai
ujdi ujdi maa ki godi, aankhein bheegi bheegi hai
sakhte mein hai shaahe wala baano khoyi khoyi hai
zakhm gale ke maa ke dil par ek qayamat dhaate hai
aisa kya hai haa'nthon par x2 jo sarwar rote jaate hai
chand kadam aage jaate hai aur phir peeche aate hain
Inna lillahi wa Inna ilayhe raje'oon
