Slaying The Prophets Ov Isa

Behemoth

(music by Nergal)ascend as empires burn
Conquistadors ov the promised land
Like the sons ov Anak
They shall rise from beyond the dawn
Rise as victorious trumpets call
Chimera, Geryon and Thee oh Sphinx!
Accompanied by Mars
Jupiter's rays in fearless eyes unrestrainedAstareth!
Bring forth the iron rain!
Hekate!
Bring forth plagues on an ever falling race!lead: NergalThou shalt restore the splendor of Sodom
Personificationov Gommorah art Thou
Iron-willed marching on ahead
With passion enraged threats torn asunder
Fill my veins with liquid iron
Armor chest and head with shining gold
That I may shake th fragile earth
May my will forever be unrestrainedAstareth!
Bring forth the iron rain!
Hekate!
Bring forth plagues on an ever falling race!great architect
Charlatan ov fairy tales
Thou hast failed
Since the hour bastard spawn
Who was vomited forth
From a gasping wound ov a whore
Father forgive me not
For I have sinned
Now tremble and fear
And mercy have non upon me
Beggoten son I am not
Adversary ov Thy love
The outcast ov Thy paradise
Despised...Nemesis!
As one we stand!
