

Slaying The Prophets Ov Isa

Behemoth

(music by Nergal) ascend as empires burn

Conquistadors ov the promised land

Like the sons ov Anak

They shall rise from beyond the dawn

Rise as victorious trumpets call

Chimera, Geryon and Thee oh Sphinx!

Accompanied by Mars

Jupiter's rays in fearless eyes unrestrained Astarte!

Bring forth the iron rain!

Hekate!

Bring forth plagues on an ever falling race! lead: Nergal Thou shalt restore the splendor of Sodom

Personification ov Gomorrah art Thou

Iron-willed marching on ahead

With passion enraged threats torn asunder

Fill my veins with liquid iron

Armor chest and head with shining gold

That I may shake th fragile earth

May my will forever be unrestrained Astarte!

Bring forth the iron rain!

Hekate!

Bring forth plagues on an ever falling race! great architect

Charlatan ov fairy tales

Thou hast failed

Since the hour bastard spawn

Who was vomited forth

From a gasping wound ov a whore

Father forgive me not

For I have sinned

Now tremble and fear

And mercy have non upon me

Begotten son I am not

Adversary ov Thy love

The outcast ov Thy paradise

Despised... Nemesis!

As one we stand!

Divide and conquer!

And we shall own this fuckin' earth! lead: Nergal

Lead: Seth ELU AZIMECH!
