All That You Are

The Foreign Exchange

Repeating in my head
Betrayal
Repeating in my head
Insecurities
Repeating in my head
Dividends
It's not your fault
The well of thought and trust has run dry
Don't be afraid to let go
Don't be afraid to start over when it's over
Let go
Let go
Let go
Let go
Let go of feelings, let go of compromise
Hollow trunk for shelter, so dark and cold inside
I always seem to find myself alone
Jaded shell of being, porous as a stone
Calloused
Rigid
Empty
Because of you
Let go of trusting, lost thought for family
Let go of living, no more concerns of demise
I never seem to find rhythm for life's harmony
Contorted, twisted broken, without a reason
Calloused
Rigid
Empty
Because of you
It's all me
All you are without me
There's nothing else
There's no one
Brainwash
All you are without me
You're by yourself
There's no one
Hope is out of season

Lost sight, no hint of light
Get busy living or get busy dying
Calloused
Rigid
Empty
Because of you
It's all me
All you are without me
There's nothing else
There's no one
Brainwash
All you are without me
You're by yourself
There's no one
Save me this loss
Closure my answer
So grant it
You owe me all that you are
Without me you're nothing
You're no one
Terrified
Petrified
Nothing
You're no one
Do you care because I don't
Nothing
You're no one
Nobody cares so just go
Nothing
You're no one
By yourself all alone
It's all me
All you are without me
There's nothing else
There's no one
Brainwash
All you are without me
You're by yourself
There's no one
Save me this loss
Closure my answer
So grant it
You owe me all that you are
Without me you're nothing
