Oh how your father whispered in my ear
first the kiss and then the touch
mixing lies with the truth
he would sigh and try to draw me near
oh he'd swear he cared so much

they'll make promises
they will break your heart
then they'll laugh at you
watching you fall apart
don't you think that i know

it's the smell of the blood that will drive them mad
chasing you like a whoreCarrie(spoken):

have you lost your mind
can't you see satan's passion has made you blind
and this boy's like the rest
and they're all like the serpents who crawl
you can beg all you want to the lord
how your father came to me that nightCarrie:
That doesn't mean that the same thing will happen to meMargaret:
with the smell of smoke and ginCarrie:
