Where Is The Edge?

Within Temptation

In the shadow awakes a desire
That you know that you can't realize
And the pressure will just keep on rising
Now the heat is on
It's too late, there is no way around it
You have seen it yourself many times
In the end you will give up the fighting
Unescapable
'Cause you're losing your mind
And you're sleeping with wide open eyes
Where is the edge of your darkest emotions?
Why does it all survive?
Where is the light of your deepest devotions?
I pray that it's still alive
It's the rule that you live by and die for
It's the one thing you cannot deny
Even though you don't know what the price is
It is justified
So much more that you've got now to fight for
But it still doesn't change who you are
There is no fear you'll ever give in to
You're untouchable
'Cause you're losing your mind
And you're sleeping with wide open eyes
Where is the edge of your darkest emotions?
Why does it all survive?
Where is the light of your deepest devotions?
I pray that it's still alive
You can't stop yourself, don't want to feel
Don't want to see what you've become
You can't walk away from who you are
Never give in
Where is the edge of your darkest emotions?
Why does it all survive?
Where is the light of your deepest devotions?
I pray that it's still alive
