Man On Fire

Big Krit

I'm a man on fire
Walking through your street
With one guitar
and two dancing feet
Only one desire
That's left in me
I want the whole damn world to come dance with me
Oh, mhm. come dance with me.
Over murder and pain come and set you free
Over heartache and shame,
i wanna see your bodies burning like old big sun
I wanna know what we've been learning and learning from
Everybody wants safety (safety love)
Everybody wants comfort (comfort love)
Everybody wants certain (certain love)
Everybody but me
I'm a man on fire
Walking down your street
With one guitar and two dancing feet
With one desire, that's left in me
I want the whole damn choir to come and dance with me
Come dance with me.
Over heartache and rage
Come set us free
Over panic and strange
I wanna see your bodies burning like old big sun
I wanna know what we've been learning and learning from
Everybody wants romance (romance love)
Everybody wants safety (safety love)
Everybody want comfort (comfort love)
Everybody but me
I'm a man on fire (He's a man on fire)
Walking down your street (Walking down your street)
WIth one Guitar (With one guitar)
And Two dancing feet (Two dancing feet)
Only one desire (Only one desire)
Thats still in me (That's left in me)
I want the whole damn world (Want the whole damn world)
To come and dance with me (To come and dance with me)
