Willow Weep For Me

Maysa

Willow weep for me
Willow weep for me
Bend your branches down along the stream
that runs to the sea
Listen to my plea
Listen willow and weep for meGone are lovers dreams
Lovely summer dreams
Gone and left me here
To weep my tears into the stream
Sad as I can be
Hear me willow and weep for meOh whisper to the wind
And say they love has sinned
To leave my heart a breaking
And a making a moan
Murmur to the night
and hide her starry light
So none will find me sighing
And a crying all aloneWeeping willow tree
Weeping sympathy
Bend your branches down along the ground
And cover me
Will the shadows fall?
Bend the willow and weep for meWhisper to the wind
And say they love has sinned
To leave my heart a breaking
And a making a moan
Murmur into the night
To hide her starry light
So none will find me sighing
And a crying all aloneWeeping willow tree
Weeping sympathy
Bend your branches down along the ground
And cover me
Will the shadows fall?
Bend the willow and weep for meWillow weep for me
Willow weep for me
Willow weep for me
Willow weep for me
Willow weep for me

Willow weep for me
